\*- Green Lake Youth Musicians' Olympics (GLYMO) – A blast from the past with a new twist. These games aren't just for the athletic; they'll challenge our youth with teamwork and creativity, too. Get in the game for some good-natured competition and a lot more fun!

†- After Glo – A time for youth to reflect on the day and their relationship with Christ. Led by our camp pastor, Joe Greemore, these sessions will give youth an interactive, small-group experience.

‡- Friday Night Live, etc. – Our own "in-house" talent show makes a move back to Friday night, joining our traditional closing night activities and a well-chaperoned, all-night lock-in at Carroll!
